FREE Technical Support

Phone 415-382-4700 or Fax 415-382-4419

Monday-Friday 7:00 - 4:30 Pacific Time

Registering your new product qualifies you for FREE technical support for its full product life.

[Product life ends when a new version is released or the product is discontinued.]

Before calling Technical Support, please follow these steps.

1. Check your manual thoroughly. (Happily, many solutions turn out to be in the manual.)
2. Gather all information that applies to the problem. Note or print out any onscreen messages you get when the problem occurs.
3. Write down all the steps you have taken to solve the problem, along with any error messages your computer has given you.
4. Be sure you know your hardware configuration, operating system version, memory, monitor type, etc.
5. When you call, please be in front of your computer with the power on. Have on hand your manual, product disks and your registration number (below).
